Election of New Director

At a meeting held on December 10, 2008, the Board of Directors of MainStreet Bank (the Bank) elected Dr. William E. Cox as a Group III director, with a term expiring at the 2009 Annual Meeting of Shareholders, to fill a vacancy on the Board created by a recent resignation of a director as previously disclosed by the Bank in its Current Reports on Form 8-K.

Dr. Cox is the President, Chief Executive Officer and co-founder of Cox, Matthews & Associates, Inc., a firm specializing in publishing, research, satellite television production, training and consulting. Dr. Cox is also the President and Chief Executive Officer of *Diverse: Issues in Higher Education*, a national news magazine serving higher education. Dr. Cox is a founding shareholder of the Bank.

Dr. Cox has an ownership interest in two businesses that received loan commitments from the Bank in November, 2008. Dr. Cox would be a personal guarantor of each loan upon closing. The loans contemplated by the loan commitments are being made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank. The Bank believes that none of the loans contemplated by these loan commitments involves more than the normal risk of collectibility or presents other unfavorable features. In addition, Dr. Cox, two of his family members, and one of the businesses referred to above have depositary relationships with the Bank.

Dr. Cox has been appointed to the Audit Committee, Compensation Committee and Nominating Committee of the Bank's Board of Directors. The Board of Directors did not select Dr. Cox pursuant to any arrangements or understandings between Dr. Cox and the Bank or any other person.
