MAINSTREET BANK Announces New Chief Lending Officer

Herndon, VA — MAINSTREET BANK (OTC BULLETIN BOARD: MNSB) announced that B. Drew Brown has joined the bank in the position of Chief Lending Officer and Senior Vice President.

“We are very excited to have Drew on-board” said President & CEO Jeff W. Dick. “Drew brings over 24 years of local market experience to our commercial lending team. Over the years, Drew’s career has crossed paths with several key people in our organization, and they are all thrilled that he has joined with MainStreet. Drew’s leadership will help us to continue to forge our presence into the Washington Metropolitan area.”

Mr. Brown was a Regional Executive Officer with James Monroe Bank prior to its acquisition, where he was responsible for regional management, lending and business development. Subsequent to the acquisition, Mr. Brown was involved with the start-up phase of Chain Bridge Bancorp, Inc.

Mr. Brown joins an experienced team of commercial lenders. MainStreet Bank offers a complete suite of commercial loan products, including: SBA-guaranteed small business loans, commercial and residential real estate loans, commercial term loans and lines of credit.

The Bank has physical offices located at 727 Elden Street in Herndon as well as 4029 Chain Bridge Road in Fairfax, Virginia. The Bank also maintains a business production office serving Richmond/Williamsburg.

“I think the most exciting opportunity for my customers is that they will experience the ultimate in convenience, as MainStreet’s banking solution provides access to everything at their fingertips” stated Brown. MainStreet Bank offers business customers the ability to **Put Our Bank in Your Office**™ with simple-to-use technology. The Bank’s secure web-enabled technology is used to manage accounts, pay bills, transfer funds, initiate wire transfers, sweep funds, make loan payments and advance from lines of credit. The technology can interface with Intuit® or Microsoft® accounting software for greater efficiency in accounting and finance operations. For accounts payable, customers can also build in reminders, customize loan payments, and set up regular funds transfers.
