MAINSTREET BANK Installs 200th Office

Herndon, VA — MainStreet Bank (OTC BULLETIN BOARD: MNSB) today put its bank in its 200th customers' office.

MainStreet Bank, a leader in remote deposit banking in the Washington DC Metropolitan area, offers business customers the ability to ***Put Our Bank in Your Office***[®]. With MainStreet's robust technology, business customers can accomplish all of their banking without leaving the office.

The Bank's secure web-enabled technology is used to deposit checks and cash, manage accounts, pay bills, transfer funds, initiate wire transfers, sweep funds, make loan payments and advance and repay lines of credit. The technology can interface with Intuit[®] or Microsoft[®] accounting software for greater efficiency in accounting and finance operations. For accounts payable, customers can also build in reminders, customize loan payments, and set up regular funds transfers.

All of this technology is offered over a secure internet SSL connection. The system offers maximum convenience to business customers.

President and CEO Jeff W. Dick stated, "Our ability to ***Put Our Bank in Your Office***[®], combined with the depth of products and services offered, provides a complete banking solution for our business customers. Customers love the technology, but even more – they love the personal service that we provide along with the technology. Real people answer our phones, and our expert staff is only a phone call away. We're always available to assist our customers."

MainStreet Bank has banking offices located at 727 Elden Street in Herndon, and 4029 Chain Bridge Road in Fairfax.
