

HOW TO CONFIGURE MY ACCOUNTS

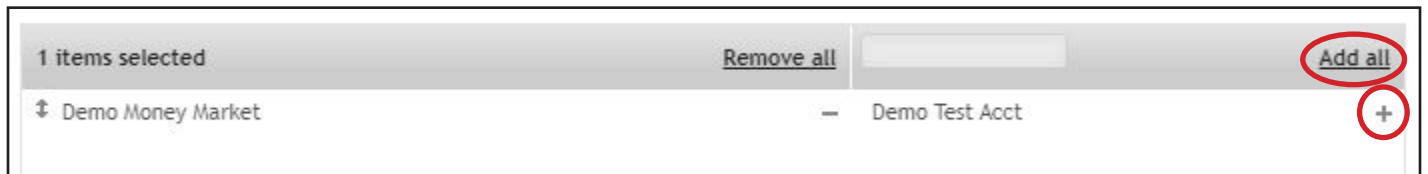

Step 1 In the "My Accounts" section, click the small wheel to the right

When you hover over the small wheel with your mouse, it will say "Configure My Accounts".

Step 2 Add desired accounts with the plus sign button or the "Add All" button

The left column has accounts that are currently shown on your MyNetTeller homepage. The right side has any newly opened accounts.

Hit "Save" at the bottom when finished.

Step 3 The page should then automatically refresh and display the newly opened account from there on.
