

HOW TO SET UP CASH MANAGEMENT SSO PASSWORD SELF-RESET

Step 1 Sign in to online banking, and choose the Options tab

- At the bottom of the first section, create a “Password Reset Question” (ex. What is your favorite vacation spot? Who is your favorite author?)
- The question will prompt for an answer (capital letters DO matter in the answer)

Step 2 Once the question and answer are filled out, scroll down and hit Submit

HOW TO RESET YOUR PASSWORD AFTER YOU HAVE COMPLETED SET-UP

Step 1 Go to mstreetbank.com and put your username in the Online Banking Login box, then click Log In

- Click the “Reset Password” link.

NetTeller Internet Banking Password:

Submit

[Reset Password](#)

Step 2 Fill out the requested information on the next page, and click Continue when finished

- You will receive an email from connect@mstreetbank.com with the subject line that you entered in the previous step.
- Open the email and click the link to confirm the request.

Step 3 Fill in your NetTeller ID and answer your password reset questions, then click Continue

- On the next page you will be prompted to reset your password.
- Do so, then click Submit.
- When you create a new password, you will get a success message.
